5S	064	<p>2005: Car was produced in 2005 for Meycom Sport after long conversations with Weissach factory that ended 996 RSR production but thanks to Mr Saldaña efforts they produced an extra car. Car was used in the Spanish GT Championship on year 2005 & 2006, driven by Javier Macias & Perez- Fontan. Car has been barely used since and kepted by a race team at top level. Car is as it was delivered by Porsche Motorsport with no modifications.</p>	2012: For sale by gonzalomancisor@me.com	WP0ZZZ99Z5S693064
